How much do you “Like” us?

We truly appreciate our customers and want to be available where you are. So, **The Insurance Place, Inc.** has created a Facebook Page. Please check it out and be one of the first to “like” us. We hope we will be able to provide you with helpful information and maybe a little fun through this new connection.

Also, we really appreciate the referrals that continue to come in from our current customers. Did you know that every referral you send to us earns you an entry in our quarterly drawing for a **\$50 gift card**? Previous winners have received gift cards to Chili’s, Belmar Shopping Center, Old Chicago’s and King Soopers. Please keep the referrals coming and make sure your friend has your first and last name so we can enter you in the drawing.

Finally, we want you to know that we value your opinion and we think others would to. Many people use websites such as Google and Yelp when looking for a new company to do business with. We would be very grateful if you were willing to provide an online review at one of these sites. You can go directly to our page for either [Google](#) or [Yelp](#) by clicking these links and then follow the instructions to “Write a Review.”

Halloween Driving Safety Tips

- **Drive slowly, and don't pass stopped vehicles.** The driver might be dropping off children.
- **Park your mobile phone.** Avoid distractions by waiting until you've stopped to call, text, or surf.
- **Watch for children darting into the street.** Kids can cross the street anywhere, and most young pedestrian deaths happen at spots other than intersections.
